**Village Shop News Update  
Telephone – 01295 760066**

**The good weather has sparked another set of 'hot results' for our Shop. To date, that is to the end of July we are 3.4% ahead of the same period in 2012. So in which areas have we seen the increase in performance? Wine (thank you Lewis for your continued expertise in providing a great value selection & for this month's Wine Corner following this update), beer, ice cream and fruit an veg'. All good weather products but don't forget to let us know if you need us to investigate new areas for the weeks ahead in which let's hope that the sun continues to shine!**

**To match the continued positive performance of our Shop, we are very pleased to confirm that Sharon Halleron-Kerr has been appointed as Shop Manager to take over from David when he retires on 7th December 2013. We're not able to make a formal announcement yet because she is currently going through the Post Office vetting process – but given that she is able to undertake some voluntary shifts during the school holidays many of you will have already have seen and/or been introduced to her. We're looking forward to telling you all about her and what she is able to bring to the shop as soon as the Post Office confirm her appointment to Sub Postmistress ... watch this space & a warm welcome Sharon!**

**David, Michael & Robin continue to make progress with the installation of our new EPOS system; we look like this will go live in early September with the use of debit cards for payment 3 or 4 weeks later once we have made sure that the system is operating against expectations.**

## WINE CORNER

With September fast approaching and the evenings beginning to draw in there probably won't be many more opportunities for barbecues this year but let's hope we get a few more chances for a glass or two of chilled white or rosé in the garden before the thermometer readings begin to drop.

I have managed to get hold of another case of the lovely '**La Taste**' French white. For many years this was the 'house white' of the Park Lane Hotel – and they know a thing or two about wine. I have had lots of positive feedback so I suggest you give it a try before it is all gone.

## Education and Training Funding

---

- SEC has been helping Sulgrave village children since 1759, it was then called 'Timcocks & Walkers Gifts'
- Its purpose has always been to assist the children of Sulgrave in their education or acquiring work related skills
- It can contribute to educational needs or activities of local institutions or individuals
- In the past it has provided funding for Culworth school - books; and Mini Meadows pre school - equipment
- Individual support has previously been for educational trips & tuition
- The scheme's remit allows for books and equipment as well as travel & tuition
- In return for funding we ask for the contribution to be acknowledged where possible, for example:
  - schools labelled the books and equipment
  - reciprocating by giving something back to the village such as a talk on a school exchange trip or tuition to others
- To read more about the fund and its history visit the village web site [www.sulgrave.org](http://www.sulgrave.org)
