**Village Shop News Update**  
**Shop Telephone – 01295 760066**

A completely different start to this month's update; it's not always to the forefront of our minds as customers but it's an important piece of news that re-enforces the important 'house keeping' work that Sharon & our team of volunteers conduct that allows us to maintain the breadth of fresh produce that our Shop offers you all. We have recently had a successful Environmental Health visit, a 4 star visit to be precise. The Inspector was pleased with procedures that we have in place for the service and storage of our pate and cheeses. The Shop has also signed up for the Food Standards Agency, 'Safer food, better business for retailer's scheme'.

Wimbledon is here (can he / will he repeat last year's success?) so it must be time for the fresh soft summer fruits; strawberries, raspberries and gooseberries are now being delivered to us fresh twice a week. Why not have a little chilled 'fizz' to go with them; it's in stock & delicious.

Summer also adds a new dimension to the week end table as we reach for the charcoal & fire up the barbeque. As somebody who enjoys outdoor cooking I can confirm that our choice of marinades, rubs & condiments is hard to beat. We also now offer a broader range of cheeses in stock from blue to brie, Cornish Yarg to Spanish Manchego, ideal as part of a colourful salad or on their own with our freshly baked baguettes

Some of our wonderful volunteers (we can always do with more incidentally so pop in & speak to Sharon if you have an hour or two during the week to help us) are looking to add to our working capital by running a pitch at a Car Boot Sale to be held in Towcester on August 23<sup>rd</sup>. If you would like to donate any goods that you think will attract a buyer or would like them to be collected then do please give Joy Grice a call (01295 760048) who has kindly stepped forward to act as organiser for the day. Joy has also kindly agreed to store them at her home if you would like to deliver them to her personally. Give her a call first though, her address is:

Swallow Cottage, Manor Road, Sulgrave  
Thank you Joy et al.

Yours,

# SULGRAVE VILLAGE FETE

**A** huge thank you to all those who supported us on June 14th. when we held our fete in the grounds of Sulgrave Manor. We couldn't have wished for better weather and it brought everyone out on droves. Perfect weather, ideal venue and a great assortment of stalls and games was the perfect recipe. The dog show was a big success - thank you Clare, and Geoff with his ferrets was a huge draw. The hog roast and the auction in the evening rounded off a great day

Particular thanks goes to the committee- you know who you are- and to Will Priestman who was our auctioneer. Jools Wood and her team at the Manor allowed us to use the venue and its facilities at no cost and gave us the opportunity to put on such a good show. If you had a good time please support them again. Again, thank you for coming along and helping us to raise about £4000 in aid of the Church Fabric Fund and towards refurbishment of the Church Hall.

# **A summer's evening visit to a beautiful garden**

## **South Newington House**

By kind arrangement with Mr and Mrs David Swan

**Monday 21st July at 7.00pm**

Many villagers will remember that, when the Gardening Society was flourishing, there would be at least two evening visits to gardens each year, and they were always very well supported and looked forward to by all.

Originally organised by Pat and Pauline Flynn, we would like to start them up again by inviting everyone to South Newington House this month. If we get good numbers for this garden, we will happily arrange more for next year.

The gardens of South Newington House open as part of the NGS Yellow Book Scheme, and this year's description reads :

*Meandering tree lined drive leads to two acre garden full of unusual plants, shrubs and trees. Richly planted herbaceous borders designed for year round colour. Organic kitchen garden with established beds and rotation planting scheme. Orchard full of fruit trees with pond encouraging wildlife. A family garden beautifully designed to blend seamlessly into the local environment. Some gravel paths but generally full access for wheelchair users.*

The planned visit gets even better - Mrs Swan's mother, who lives next door to South Newington House, has agreed to also open her garden for us - so we'll have two wonderful gardens to enjoy.

To get the most of the evening light the visit will start from 6.15pm - if it's tricky for you to get there for that time, simply arrive as soon as you can and join us.

Mrs Swan will give an introductory talk at about 6.30pm and be on hand throughout the evening to answer questions. There will be tea/coffee and biscuits served at 8.00pm, with wine available by donation.

It is envisaged that the evening will close by 9.00pm.

The price per person for the two garden visits and refreshments is £7.50. We will collect this on arrival - please have the right money with you as we will have no change. And you may wish to bring cash for wine - there will also be a raffle and possibly some garden produce for sale.

We need to know how many will be coming one week before the visit so please either complete your slip and post it through either of our letterboxes, or email us (see below) by 14th July. We look forward to seeing you in the garden.

Leave Banbury on the A361 (as if going to Chipping Norton). Drive through Bloxham and keep going until you reach South Newington. Drive past The Duck on the Pond (pub) on your right and negotiate the tricky bends. As you go up the hill (still on the A361) you will see a sign for "The Barfords 2 miles". Turn left here along Barford Road & South Newington House is first left after about 100 yards, by a small 30mph sign & between some low wooden markers. Go along the drive and park in the field (it will be signed).

# Sulgrave Cinema

---

Sulgrave Cinema will regretfully be taking an unexpected summer recess until the autumn following a change of terms and conditions from the film organisers.

They advise that, in order to keep the scheme viable, the number of screenings that small venues such as ours can show will be limited to a maximum of four - the reason being that we only pay the basic rate per film and this can't be indulged on a monthly basis.

That basic rate is £100, and we also need to raise £30 for the hire of the hall - with the help of the very popular afternoon teas following each film we just about scrape through to get there.

Philomena brought in by far our biggest audience and that helped subsidise some of the other films that were enjoyed by everyone who came but ran at a loss.

However, the show will go on. A new list of films is to be issued in August and we hope to choose the very best of them to bring in a bigger audience.

We'll return in September and maybe do alternate months throughout the autumn and winter - that said, if we can get more people coming, we can pay the organisers more and hopefully run it on a monthly basis again.

We love having the cinema here once a month and we know our regular film goers do too - we promise to do all we can to keep it up and running.
