## Church News October

Holy Communion - Sulgrave No service in Sulgrave Holy Communion - Sulgrave Mattins - Sulgrave

There are alternative services held throughout the Benefice and these are listed in the church porch. A roof alarm has been fitted on the church roof to protect the building from lead theft. This is a huge problem throughout the country and there are at least three, if not more, churches in our neighbourhood who have been targeted. Please be alert!

At the moment we are still following government guidelines with reference to the wearing of masks and social distancing. We continue to lock the church when not in use and await instructions as to when we can open during the day.

Thank you for your patience and please support our new vicar, Nick Leggett.

It would seem that our pleas for more help in the shop fell on fertile ground as three volunteers returned from the wilderness last month. Many thanks to them but - now that our insurers demand that there must be at least two staff on duty at any one time – we still sometimes have difficulty filling shifts so if anyone else would like to put their hand up, it would be much appreciated.

Despite all the restrictions relating to the epidemic, trade remains healthy and sales for the year to date have matched those for the same period last year when no one had heard the word 'COVID'. Many thanks to all our customers for their support.

A number of new lines have appeared on the shelves during the last month. We have just increased our range of crisps by taking on a new supplier and offer some interesting new flavours including sweet chili, black pepper and sea-salt, Lancashire sauce – or black pudding and mustard anyone? We have added to our cheese range to include Compte and Cambozola and have some interesting crackers to go with them. There are also some super 'Holy Cow' curry sauces, a range of new tapas meats and jars of orange, lemon and ginger marmalade. For those with a sweet tooth, we have cherry Genoa cake and, under the 'Dome of Happiness', some Rocky Road, Chocolate and Raspberry slices and good old Millionaire's shortbread.

Some new wines will be appearing on the shelf this month including, for those who don't favour bone-dry wines, a delicious Moscato with pineapple and sherbet flavours and a spritzy prickle on the tongue. Chilled really well it would be perfect for the last of the warm evenings of the summer or - as it contains only 6% alcohol - even a tipple at lunchtime. For lovers of fancy gin, we now stock Whitley Neil rhubarb & ginger and blood-orange flavoured varieties. They sound rather tasty and would make great Christmas presents.

Thank you to all those members who joined the Zoom AGM on 23<sup>rd</sup> September. The Committee remains unchanged with the exception of Robin who has decided to stand down as treasurer after more than 15 years of loyal service. His skills will be greatly missed and I am sure we would all like to thank him for all the fantastic work he has done since the shop's inception. Robin's departure means that we urgently need volunteers to take on his accounting and financial management duties.

With Halloween coming up at the end of the month, some big hints have been dropped that Digby might again be co-opted into sharpening his paring knife to make some Jack-o'-lantern pumpkins. Each one takes an age – so it will be first come first served.

Digby and Alison

The next Zoom meeting of the Camera Club will be on Wednesday 7<sup>th</sup> October at 8pm when we will be looking at the results of the monthly challenge. The challenge was "Three" and it will be interesting to see how members have interpreted the brief.

The Camera Club is open to anybody who is interested in photography, whether you have a DSLR or a mobile phone.

Some of our previous challenges and photographic projects can be found on the Sulgrave Village Website.

For details please contact <u>Grahamroberts53@hotmail.com</u>

### <u>THE STAR INN – 01295 760389</u>

 To try and ensure The Star Inn is one of the pubs that make it through the winter, we need to carry on with our provisions in place. If The Star is empty on quiet days/evenings we will need to close early to help reduce our running costs. We will of course remain open whilst customers are in the pub/garden. This could also mean closing later during busy times, within our licensing regulations.
TO SAFEGUARD OUR CUSTOMERS, VILLAGERS, STAFF & FAMILY Now the weather is turning and throughout the winter more customers are

wishing to be inside.

We will be restricted to the amount of bookings we can take inside The Star. Strict Covid-19 measures are in place (bottoms on seats policy). The Star's policy is not to limit diners to set times for remaining at their tables. We believe in allowing our diners a pleasurable unrushed experience. This does mean we will not reallocate tables on a booking basis, and rush existing customers out of the door to reseat others. If tables become free later during service hours, of course, customers can walk in/telephone for later seats. These can be used once they have been safely cleaned and anti-backed.

We do have a vast amount of space outside that customers are more than welcome to use when the weather is kind to us. We cannot take bookings too far in advance for outside space due to the daily changeable weather!

AT NO TIME WILL WE OVERBOOK AND SQUEEZE PEOPLE IN TO INCREASE REVENUE. OUR CUSTOMERS, VILLAGERS, STAFF AND FAMILY SAFETY <u>MUST</u> COME FIRST!

We apologise if this causes any inconvenience to our customers in these uncertain times.

Thank you for your understanding and patience Steve, Niki, Millie & The Star Team

## <u>A Plea From the Poo Fairies</u>

- When aiming for the bin
- Please make sure it goes in,
- If on the grass it should fall
- Then that's no good at all.
- It gets stuck on a shoe
- Which really won't do,
- Or round the mower wheel
- Which doesn't appeal.
- Dogs using Madams Close
- Sometimes leave a dose,
- But this <u>must</u> be bagged too

 $\sim \sim \sim$ 

- It's the right thing to do.
- A trip to Pocket Park
- Is a bit of a lark,
- But dogs are banned
- From this special land.
- We Poo Fairies are keen
- To keep Sulgrave clean,
- So please respect what we do
- We're here to serve you!

# SULGRAVE PARISH COUNCIL

Caryl Bellingham M.B.E Chair of the Charitable Trust has sent me a message to say that she and her fellow trustees would like to thank most sincerely the village of Sulgrave for their generosity in raising £659 towards the Hospital appeal.

The total sum came from gift aid and the raffle organised by the shop for a food hamper, won by Becky Hunt. Thank you Jane and Sally.

It was a great disappointment to have to cancel the picnic, but let us hope we can do it next year and have a village get together.

Richard Fonge. Parish Council Chairman.
