

## Village Shop News Update

Shop Telephone: 01295 760 066  e-mail: svshop@hotmail.com

Because the printers are currently working part time, the January shop report should have been submitted by 10 December – and we are already two days late. So apologies that this month's offering will be a quickie.

If Sulgrave News hits the streets before Christmas, we hope you all have a wonderful Christmas and if it doesn't, we hope you all **had** a wonderful Christmas. The shop was looking fantastic at the beginning of December and lots of you have taken advantage of the many goodies on offer.

The observant amongst you may have noticed that the shop has become much quieter of late as, after numerous delays, the noisy compressors on the freezer and chiller have been relocated behind the shop. This has been a transformation, especially for those volunteers who wear hearing aids who found it very difficult to communicate with customers over the din.

The Shop opening and closing times over the New Year have now been finalised so please take note:

**Friday 31<sup>st</sup> December - Shop open 8.00am to 4.00pm. PO open 8.00am – 1.00pm**

**Saturday 1<sup>st</sup> January – Shop and PO closed all day**

**Sunday 2<sup>nd</sup> January – 9.00am – 12.00 midday as usual**

**Monday 3<sup>rd</sup> January – 8.00am – 1.00pm as usual**

Thanks to everyone who has put in such a lot of effort to keep the shop running through the year and let's hope that 2022 sees us emerge from this horrible pandemic.

Happy New Year to one and all

Digby and Alison
