Not a lot to report this month as everything at the shop seems to be ticking along quite nicely. Our new volunteers have been learning the ropes and it is good to have Jackie Lonsdale back as part of the experienced supervisor team.

The main event to report is the Shop Annual General Meeting which will take place in the Village Hall at 7.30pm on Thursday 30th September just after Sulgrave News hits the streets. Everyone is welcome to attend and you can vote on committee appointments if you are a member of the Shop Association. Membership forms will be available at the meeting or ask Alison for one. It costs only £5 to join.

We have placed an A-board pointing to the Village Shop at the entrance to the HS2 depot on Greatworth Road so one hopes that our sales of sausage rolls, pasties and soft drinks will pick up as a result.

Some new wines are lined up for the coming month so do keep an eye on the shelves as we like to ring the changes and tickle your taste buds with some unusual varieties. As the summer comes to an end, we anticipate a gradual movement away from rosés and light whites towards meaty reds - but fear not, we shall maintain a good stock of Pinot Grigio for the many regular fans.

Happy Michaelmas (if this newsletter comes our early enough)
